15 the explanation's substance by the members of the general assembly.

16 Current law permits motor vehicles which are model year 1948
17 or older, and reconstructed or specially constructed vehicles
18 built to resemble vehicles which are model year 1948 or older,
19 other than trucks registered for more than 5 tons, autocycles,
20 motorcycles, or truck tractors, to display one registration
21 plate on the rear of the vehicle if the other registration
22 plate issued to the vehicle is carried in the vehicle at all
23 times when the vehicle is operated on a public highway. This
24 bill broadens that provision to include motor vehicles which
25 are 30 model years old or older, and reconstructed or specially
26 constructed vehicles built to resemble motor vehicles which are
27 30 model years old or older.
